DETAILED ACTION

1. This Office Action is responsive to the Amendment filed 18 December 2008. Claims 1, 3, 4, 10-14, 23 and 24 are now pending. The Examiner acknowledges the cancellation of claims 2, 5-9, 15, 17 and 19-22.

Allowable Subject Matter

2. Claims 1, 3, 4, 10-14, 23 and 24 are allowable over the prior art of record. The following is an examiner's statement of reasons for allowance: the prior art fails to teach or suggest a gastric band including a nonextensible back having a first chamber and second chamber as taught by Applicant, wherein the two chambers are connected with an auxiliary chamber for introducing fluid to a band whereby fluid flow is restricted to such chambers by a valve. The prior art of record teaches flow between such chambers, however the flow is allowed by a passage that does not restrict movement from one chamber to the other since both chambers of the prior art serve to simultaneously adjust the restriction of the opening.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
